

WRAPPED FOR RETAIL

Breakfast Handling Instruction

1. **Store product in freezer until ready for use.**
(Keep at -10°F to 0°F degrees up to 6 months.)

2. **Remove desired amount of products to be thawed out from the freezer.**

3. **Allow breakfast pastries to thaw at room temperature for approximately 2-3 hours prior to selling/serving.**
(Do not refrigerate as products will dry out.)

4. **Food operators make sure to mark sell by date.**

5. **Do not freeze products once thawed out.**
