

# FROZEN DOUGH HANDLING INSTRUCTIONS

To ensure maximum quality and customer satisfaction, we recommend handling Le Chef specialty products in the following manner:

- Store frozen dough products at: -10°F to 0°F
- Please keep dough completely covered in plastic while being stored in the freezer or while staging in the refrigerator or cooler.
- Thawing and refreezing dough may cause degradation of product performance.
- For superior taste and freshness, all products should be consumed on the day of preparation.

**KEEP FROZEN UNTIL READY FOR USE**

**DO NOT STORE IN REFRIGERATOR**
